ÉCOUTER QUICK REFERENCE

## An ÉCOUTER mind map is like a tree:

The trunk is the main question, while the branches and leaves represent comments about a theme.

How to add to a mind map:

Add a brief comment with the ➕ button. (Note: ❌ button deletes the node).

What is my question?

THEME 2 GOES HERE

➕ ✖

Add child node (C) [Alt: Add sibling node (S)]

How to add links and longer notes:

Note	Heading	☰	☷	Strong

These are additional notes with much more space available for thoughts, comments and responses. They can be seen clicking on the page icon at the end of the node text.

➡ Allows longer text to be added to your node.

➡ Link to a web URL
(e.g. video, image, website etc).
